

Schoolyard Scavenger Hunt

REPRODUCIBLE

1. Read *Copycat: Nature-Inspired Design Around the World*. Think about the ways inventors have copied nature.
2. Go outside and make observations.
3. Fill out this chart. On one side record the nature items you see. On the other side, record related human-designed items. Begin on either side. (For example, "I saw an airplane. It has wings like a bird.")
